Just as in the game of poker, the best hand wins! NO WILD CARDS! 10th-first place winners will be announced Saturday, Sept. 17, at 8:50 pm. Participants do not need to be present to win but in the event a tie-breaker deal is needed, participants not present must accept they will be represented by a stand in for the tie-breaker deal. Should multiple players tie, those players will be dealt a new hand of five (*no discards/no wild cards*) until the best hand wins.

Double 8 Poker Tour Stops will be stamping your passport Thursday-Friday, September 15-16, from 8 am-4 pm each day and Saturday, September 17, from 8 am-2 pm.

Participants may choose to follow the suggested route or choose to map out their own route. Participants are not required to visit poker tour stops in any specific order.

Don't forget to have your passport stamped at each stop. One card is earned for every two stamps on your passport for a total of up to 15 cards. (*No double stamps! All locations have a unique stamp!*) A hand of five cards will be dealt, with extra cards given as you discard from your hand. Once a card is discarded from your hand, that card is no longer valid and cannot be used in your final hand of five cards. You may discard one, two, three, four or all five cards at once and receive another five cards up to two times, if you have earned all 15 cards.
